Accounts receivable & collections

Receivables as of 30 September 2026 | CAD | 40 fictional customers

OUTSTANDING RECEIVABLES

$1,548,971

165 open invoices

OVERDUE RECEIVABLES

$980,236

105 overdue invoices

OVERDUE SHARE

63.3%

Of total outstanding balance

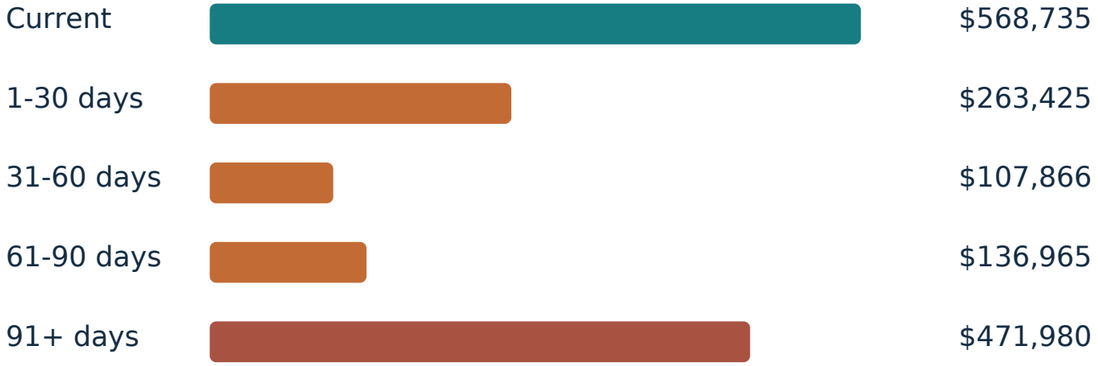
OVER 90 DAYS OVERDUE

$471,980

48.1% of the overdue balance

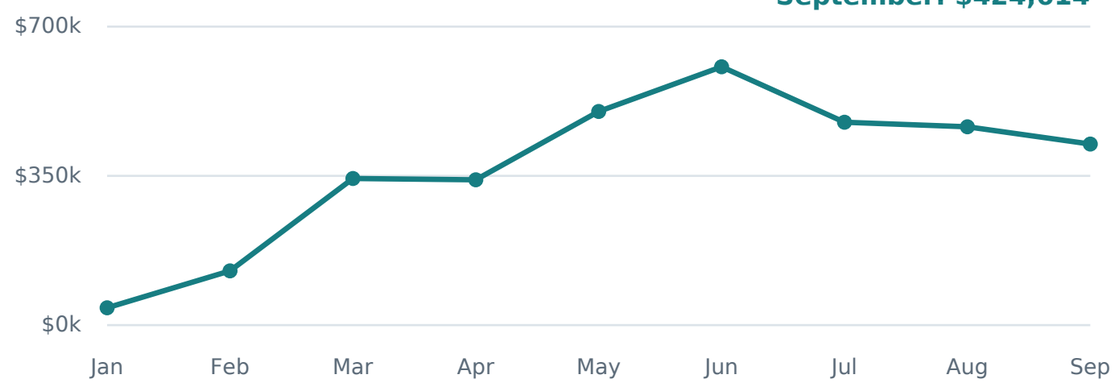
Outstanding by age

Invoice balances at the snapshot date



Cash collected by month

Payment dates from January to September 2026



What deserves attention?

Almost half of overdue receivables are more than 90 days late. Review the oldest balances with account owners and confirm the next action.

Read the two charts differently

Aging shows a balance on one date. The monthly line shows cash receipts during each month. It does not show historical month-end receivables.

Customer exposure

Where should the team begin its review? | All-customer snapshot at 30 September 2026

TOP FIVE OVERDUE ACCOUNTS

$282,806

28.9% of all overdue receivables

DISPUTED OVERDUE BALANCES

$263,311

Requires a separate resolution workflow

LARGEST OVERDUE ACCOUNT

$62,416

Customer C027 | Account owner: Team 3

Five largest overdue customer balances

CAD, sorted by overdue amount

Three findings

01 63.3% of outstanding is overdue.

105 invoices are overdue among 165 open invoices.

02 $471,980 is more than 90 days overdue.

This is 48.1% of overdue receivables.

03 Five accounts hold $282,806 overdue.

They represent 28.9% of the overdue balance.

Action 1: Review the top five accounts

Ask each account owner to confirm invoice details and prior follow-up. Review older undisputed balances first, then record the next contact date.

Action 2: Resolve disputed invoices

Route the $263,311 disputed overdue balance to the relevant owners. Track the evidence needed, next action and target resolution date.

Balance reconciliation

$4,873,723.46 invoices - $3,324,752.27 payments

= $1,548,971.19 outstanding. Difference: $0.00.

Transparent routing rule

Disputes go to review. Other balances enter priority follow-up when over 90 days late, or over 30 days late with at least $10,000 outstanding.
